---

\$150 per child/per session (discounts for siblings see reverse)

Children ages 4-11 years welcome!

### Wildlife in Our World

Join a Naturalist for a fun packed session of exploring our senses as we learn about our wild world. In this session we will be exploring the main groups of animals: mammals, birds, insects and spiders, amphibians and reptiles. **Each session includes close encounters with live wild animals, and/or; crafts, scientific exploration, games and hikes.**

The program is designed to teach natural history and a stewardship for the natural world while discovering sound citizenship skills such as creativity, attentiveness and diligence. There is a 15 child minimum class size to conduct this program.

# About Wildlife Adventures

Wildlife Adventures is an outreach program that began in 1999. After years of experience as classroom teachers and environmental educators, Bill Trautman, Valerie Garcia, and Matt McCurley embarked on the development of a company like no other. One where values education is combined with the excitement of live animals to inspire, educate, and entertain people of all ages.

We travel to schools, churches, and fairs as well as birthday parties to teach about the awesome natural world we live in. Wildlife Adventures is based out of Harford County, and has recently expanded to the Western Parts of Maryland and beyond.

The minimum class size is 15 children. Maximum is 25. Filled on a first come- first served basis. \$150 per child / Siblings \$100 1<sup>st</sup>, \$75 2<sup>nd</sup> sibling, \$75 3<sup>rd</sup> sibling. Ages 12 and up who volunteer and help with the classes are not charged.
