The Field at St. John's

It looks like an ordinary field bordered by trees.

Until the St. John's group heads out to look for signs of wildlife...

"It was an exciting adventure... we found 10 animals holes in a field!!

...we came back in and saw a frog that from the bottom looked like an alien & from the top was camouflaged like a leaf. It's name is, Eyelash Tree Frog."
